

## **PDEOZE PowerContainer**

# **American solar Energy Storage Manufacturer Agent**

## Overview

---

Who is American Solar?

Most have worked together for over 6 years and truly care about the end product. American Solar is a local, family-owned company that cares deeply about the community and the environment. As a clean energy expert we are passionate about providing cutting-edge energy solutions for our clients while improving the world we live in.

What is the New York battery & energy storage technology consortium?

The New York Battery and Energy Storage Technology (NY-BEST™) Consortium, established in 2010, serves as an expert resource for energy storage-related companies and organizations looking to grow their business in New York State.

Are EnergySage storage installers pre-screened?

At EnergySage, we care about connecting shoppers to high-quality companies. As such, any storage installers we list above are active on the EnergySage Marketplace in New York and pre-screened by our team. What does it mean to be “pre-screened”?

We evaluate every storage installer to ensure that they’ll provide quality service to EnergySage users.
