Mauritius Hybrid Energy Storage Project

Overview

The four projects in the Stor'Sun initiative that Qair won in 2024 are now funded, and will aim to provide a consistent 12-hour energy output. Renewable energy developer Qair has secured financing from SBM Bank (Mauritius) Ltd for its Stor'Sun I and II hybrid .

The four projects in the Stor'Sun initiative that Qair won in 2024 are now funded, and will aim to provide a consistent 12-hour energy output. Renewable energy developer Qair has secured financing from SBM Bank (Mauritius) Ltd for its Stor'Sun I and II hybrid solar-plus-storage projects. These two.

Paris, August 7, 2025 – Independent renewable energy company Qair announces the closing of a new loan to support the implementation of a hybrid solar photovoltaic and battery energy storage system (BESS) project in Mauritius. This project builds upon Qair's long-standing presence in the Indian.

In an exciting development for renewable energy in Africa, Qair, an Independent Power Producer (IPP), has successfully closed a loan to finance a significant 60MW hybrid solar photovoltaic and battery energy storage system (BESS) project in Mauritius. This initiative is poised to play a crucial.

Qair Secures Major Financing for Mauritius Hybrid Solar-Storage Initiative
French independent renewable energy company Qair has successfully closed financing for a groundbreaking hybrid solar photovoltaic and battery energy storage system project in Mauritius, marking a significant advancement in.

French renewable energy producer Qair has secured a loan agreement to finance the construction of 60 MW of hybrid solar and storage projects in Mauritius. The funding, provided by the State Bank of Mauritius (SBM Bank),

will support the implementation of four projects awarded to Qair in 2023 under.

French independent renewable energy producer Qair has closed a loan agreement to back the construction of 60 MW of hybrid solar-storage parks in Mauritius. Image by: Qair via LinkedIn. The funds will be allocated for the implementation of four projects that Qair was awarded in 2023 and will run.
