Portable and lightweight mobile power bank

Overview

Whether you need a good all-rounder in the CUKTECH 30 to stash in your backpack and keep everything topped up for your college studies, something ultra portable and pocketable like the (aptly named) Pocket Rocket, or a beefy Anker PowerHouse for those long trips away from electricity.

These portable chargers and power banks give you the most boost when you're out of juice. Sarah has been writing about consumer tech since 2019 with a focus on ereaders, phones, and tablets. Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But.

The T+L team tested 14 different portable chargers on the market in real-world situations, evaluating them for portability, design, performance, and value. These picks earned the highest scores in our tests and are perfect to pack for your next trip. It comes with multiple ports for charging.

Whether you own one of today's best iPhones or best Androids, you could use a power bank. Today's top phones can hold a charge longer, but if you take a lot of photos and use the newest AI features, you'll drain the battery fast. We've tested all of the best power banks to make sure they are fast.

Over five years traveling with so many gadgets have taught me one thing — you need a great, reliable power bank. Luckily, my need to keep a litany of smartphones, headphones, cameras, tablets and laptops topped up in the most remote of locations means I'm a bit of an expert in portable chargers.
