Portable mobile power bank points redemption

Overview

What is a shared power bank?

Shared power banks are portable battery packs available for rent at various locations. These power banks provide a convenient solution for charging your mobile phone and other devices on the go. In China, this service has become incredibly popular, making it easy to find a power bank rental almost anywhere. [How Do Shared Power Banks Work?](#)

.

How do I use the power bank?

Charge Your Device: The power bank comes with multiple cables, including micro USB, USB-C, and Lightning connectors. Plug in your mobile phone and start charging. **Return the Power Bank:** When you're done, return the power bank to any station. The rental fee will be calculated based on the duration of use. [Extended Reading:](#).

How much power does a power bank give a phone?

Our testing shows that a power bank can offer your phone between 70-80% of the power it contains, or more depending on the battery. It loses the rest due to the inefficiency of the power transfer. That means a 5,000 mAh battery can fully charge a phone with a 3,500 mAh battery, like an iPhone 16.

How much does a power bank cost?

Iniu Power Bank Ba1-B64 for \$80: Offering relatively low prices, Iniu is a power bank brand on the rise. This portable charger packs a 27,000-mAh capacity, can put out up to 140 watts, and charges three devices at once via two USB-C ports and a single USB-A port.

What are the best shared power banks?

Some of the top providers include: **AnkerBox:** Known for its reliability and

extensive network of stations. Jiedian: Popular for its user-friendly app and widespread availability. Monster Charge: Offers competitive pricing and robust customer support. To make the most out of shared power banks, keep these tips in mind:.

Should you return a shared power bank?

Return on Time: Returning the power bank on time avoids extra charges and ensures others can use the service. Is It Safe to Use Shared Power Banks?

Many travelers wonder about the safety of using shared power banks.
