Slovenia s largest energy storage battery manufacturer

Overview

In October 2020, the Slovenian energy solutions company NGEN launched the largest battery storage system (BESS) in Slovenia and the region at the Talum facility in Kidričev

ev, north-east Slovenia. Which country has the largest battery storage system?

The Slovenia-headquartered company was recently in the news for a 20MWh project it commissioned in Austria, which is the country's largest, and it is deploying the largest battery storage systems in neighbouring Slovenia and Croatia, totalling 70MW/140MWh and 50MW/100MWh respectively.

Where is Ngen deploying the largest battery storage units?

Developer NGEN is deploying the largest battery storage units in Slovenia, Austria and Croatia, and wants to take its model beyond CEE too.

Who makes ESS batteries?

Slovenian battery manufacturer TAB (TAB tovarna akumulatorskih baterij d.d.) is opening the first gigafactory for lithium-ion energy storage systems (ESS) in Prevalje in 2024. The Austrian company Rosendahl Nextrom GmbH, with its brand BM-Rosendahl, will develop, build, and supply the highly automated line for module and pack assembly.
