Uzbekistan Smart Energy Storage Charging Station

Overview

Are Chevrolets still popular in Uzbekistan?

While Chevrolets are still a ubiquitous sight on Uzbekistan's roads, there is growing variety. In 2023, Uzbekistan imported over 73,000 vehicles, marking a 2.4-fold increase from the previous year. The total value of those incoming vehicles amounted to nearly \$1.8 billion. Last year was a banner year.

Is BYD based in Uzbekistan?

BYD is only the latest Chinese automaker to set up shop in Uzbekistan. Uzbek vehicle distribution company Roodell began assembling cars for Wuhu-based Chery Automobile in September 2022, also at a plant in Jizzakh. By Eurasianet.org.

Can Uzbekistan buy a car?

International investments, notably from China, are fostering diversity in the automotive sector, with BYD and Chery Automobile establishing assembly plants in Uzbekistan. For the last two decades or so, motorists in Uzbekistan could buy any car brand they wanted, as long as it was either a Daewoo or Chevrolet.
