

PDEOZE PowerContainer

Uzbekistan communication base station inverter grid connection service provider

Overview

What are the major mobile network operators in Uzbekistan?

There are four major mobile network operators in Uzbekistan: Beeline Uzbekistan: Beeline is the largest operator, with the broadest network coverage spanning all regions. It is owned by VEON, an international telecoms company operating across Eurasia. Ucell: The second largest operator by subscribers.

Which MVNOs are in Uzbekistan?

Uzmobile: It is a subsidiary of Uztelecom. It offers both prepaid and postpaid mobile plans with competitive voice, data and roaming packages. 2. Mobile Virtual Network Operators (MVNOs) in Uzbekistan Smaller operators that use the major networks include: Mobifone – Focused on lower-income segments of the population with cheaper packages.

Which MNO has the best 4G coverage in Uzbekistan?

Network Coverage: Beeline generally has the widest 4G coverage across Uzbekistan while Ucell leads in average mobile internet speeds. Check coverage maps. Pricing Plans: All MNOs must meet local regulation on a standard prepaid voice tariff offer yet have flexibility around data rates which vary.
